DEADLINE: APRIL 20, 2022

S.C.R.A.P. Gallery is hosting the GLOBE (Girls Leading One Better environment) – Earth Day exhibition, calling on all students between the ages of 7-19 to create sustainable artwork with the theme of My Place in Climate Change. Artwork should focus on and address the student’s impact in working toward global climate justice.

Students can participate individually or in classes, clubs, or groups of any size. Submissions may be interactive and multimedia, visual art, poetry, and spoken word.

Open to students around the world. Artwork will be shared online and at S.C.R.A.P. Gallery Earth Day and Global Youth Service Day exhibits.
