

Kids Green Team Pledge

We live in a world where we use lots of stuff.
The trees, the seas, the birds, they all say it's too much.
Unless we are good and handle with care, things
might not be so clean in this backyard that we share.
So remember this phrase and practice it too:

Don't Trash Our Planet!
It's up to me and up to you!

I promise to take care of the environment by practicing the
Four R's—Reduce, Reuse, Recycle, Responsibility!
